3. OLD BUSINESS

3.1. Tow Fee Increase

The tow fee increase from 98.00 to 127.00 was approved by this committee in April 2023. Previous ordinance stated vehicles with a gross weight of more than 8,000 lbs had a tow fee of 108.00, which was \$10 more than the standard tow fee. The storage fee in section 112-145 was previously set at 25.00/day. The committee raised the storage fee to \$37.00/day at the April 2023 public safety meeting. There was discussion on keeping the increase at 30% from the original \$25.00/day, which would equal \$32.50/day.

MOTION by Ledin, second by Elm, and carried to increase the tow fee for vehicles with a gross weight of more than 8,000 pounds to \$137.00 (section 112-143 (2))
