### **Standing Agenda items:**

1. Fire Department Update

No update

2. Police Department Update

Chief Alexander told the committee that the city-wide camera system has been referred back to Public Safety from the Finance committee. They asked that the Chief give the committee more information on a draft policy, where cameras may be installed within the City and an approximate cost. The department recently held Fair & Impartial Policing and it was well received by department members and the community members who attended. Chief Alexander also said we are currently at full staffing, so things are good in the department. Also, Chief Alexander noted funding has been extended for another two years for the Pathways for Hope program.
