

Children's Memorial Garden Brick Pathway Sponsorship Form

Our mission is to create a garden of hope, healing, and peace for families and friends that have experienced the tragic loss of a child. We hope that all families and friends will feel welcome to visit this garden and remember their child's life. This garden will be a peaceful sanctuary for reflection and recollection of cherished memories, and it will act as a symbol of life's everlasting beauty and grace. The garden will be dedicated to all who grieve the loss of a child, regardless of age or reason or passing. This program will allow people to purchase bricks, to be placed in our Children's Memorial Garden, in memory or honor of someone you love.
