RE: Master Park Plan
Final Study Document
Rettler Corporation Project Number 10.003

Dear Ms. Morgan:

Enclosed please find the completed Superior Master Park Plan.

This document encompasses over 12 months of planning efforts, public input, and Park & Recreation Commission review, to provide a comprehensive planning tool for the future vision for parks and open space within the City of Superior.

Thank you for allowing our firm to assist you and your community on this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Bahling", with a long horizontal flourish extending to the right.

Jeff Bahling, RLA, ASLA
Senior Landscape Architect/Project Manager

City of Superior Mission Statement

Superior City government exists to provide its citizens with quality services responsive to the needs of the community at an affordable tax level by:

- Exceeding high standards of ethics and integrity to produce quality, progressive and responsive government services.
- Providing a safe community to live, work and play.
- Fostering responsible growth.
- Creating a strong, fiscally sound economy.
- Preserving and promoting our uniqueness.
- Working to implement the City's Comprehensive Plan.
- Encouraging active participation from the community.
- Fostering a climate of community and respect.

Superior Parks & Recreation Commission Mission Statement

To fairly and equitably develop, maintain, and improve the Parks & Recreation Division's programs and entities.

Statement of Nondiscrimination

The City has received both state and federal funds and does not discriminate in any of its programs or facilities.
