- The applicant agrees to comply with all applicable codes, statutes and ordinances and with the conditions of this permit; understands that the issuance of the permit creates no legal liability, expressed or implied, on the City Agent/Inspector, Department or Municipality; and certifies that all the above information is true and accurate.
- Approval or disapproval of plans shall be based upon review of written and graphic information submitted.
- Changes made during construction shall be based upon approved revisions to plans.
- Any change in the conditionally approved plans shall be approved by this department before said changes are implemented.
- It is expressly understood by the project owner(s) and/or contractor(s) that by issuance of this permit any City Agent/Inspector shall be allowed to inspect at reasonable times any construction work through the final inspection.
 Failure to allow access to the premises for such inspection(s) shall result in revocation of this permit.

This is a Plumbing Permit application only – not a permit to proceed.
