

Invasive Species

- Are not native
- Cause economic and/or ecological harm
- Spread rapidly because they often reproduce quickly and have no native predators
- Establish in new places by hitchhiking on boats, trailers, and equipment

What can you do?

Inspect boats, trailers and equipment

Remove all attached aquatic plants and animals

Drain all water from boats, vehicles and equipment

Never Move plants or live fish away from a water body

Funded by the Wisconsin Coastal Management Program and the National Oceanic and Atmospheric Administration, Office of Ocean and Coastal Resource Management under the Coastal Zone Management Act,

Grant # NA12NOS4190091.
